Tennessee Trucking Foundation Auction

Tennessee Trucking Foundation's Annual Auction is a great opportunity to bid on a variety of unique items! To maintain social distancing, you will be able to bid right from your phone! The auction benefits the Foundation's Highway Safety Education Programs: Tennessee's Road Team, Teens & Trucks Share the Road Training, and Aging Driver Road Safety Training. These programs educate motorists of all ages across the state on how to safely share the road with large trucks. These important safety education programs reach thousands of individuals each year and help reduce the number of motor vehicle accidents on Tennessee's highways.
