**EAST TENNESSEE CONSTRUCTION**

October 7 - 13, 2021

**ANDERSON COUNTY, US 25/SR 9 Bridge over Clinch River between SR 61 and Carden Farm Drive:** SR 9 northbound is reduced to one lane approaching the bridge as crews continue work in this area. Motorists should be alert for workers present, changing conditions, lane shifts, and use extreme caution through this bridge construction project.

**BLOUNT COUNTY, US 129 North and South between SR 35 Hall Road and Tyson Boulevard:** US 129 North is reduced to one lane between Hall Road and Hunt Road as crews perform widening and roadway realignment through this project. This closure will remain in place around the clock for an estimated four to six weeks. Motorists should expect potential delays during peak travel times. Motorists should be alert for workers present and brief stoppages of traffic through this roadway construction project. **For project information, go to <https://www.tn.gov/tdot/projects/projects-region-1/sr-115-alcoa-highway-hall-road-to-tyson-blvd.html>**

**BLOUNT COUNTY, SR 335 Hunt Road between Ambrose Street and Ramsay Street:** Motorists should be alert for possible lane closures at various times as crews install utilities through this construction project. Motorists should be alert for workers present directing traffic and use extreme caution through this area.

**BLOUNT COUNTY, SR 33 between Foothills Mall Drive and Henry Street:** Motorists should be alert for possible nightly lane closures between the hours of 7 p.m. and 6 a.m. the following morning through this intersection improvement construction project. Motorists should be alert for workers present, changed conditions, and use extreme caution through this area.

**CAMPBELL COUNTY, I-75 North and South between Mile Markers 135 and 142:** Motorists should be alert for possible temporary lane closures between the hours of 7 p.m. and 6 a.m. the following morning through this project. Motorists should be alert for slowed or stopped traffic, expect potential delays, and use extreme caution through this area.

**CAMPBELL COUNTY, I-75 North between Mile Markers 153 and 158:** On Monday, October 11, 2021 and Tuesday, October 12, 2021, motorists should be alert for possible temporary lane closures between the hours of 7 a.m. and 7 p.m. as crews perform roadway maintenance activities. Motorists should be alert for slowed or stopped traffic, expect potential delays, and use extreme caution through this area.

**CAMPBELL COUNTY, I-75 South between Mile Markers 160 and 155:** On Wednesday, October 13, 2021 and Thursday, October 14, 2021, motorists should be alert for possible temporary lane closures between the hours of 7 a.m. and 7 p.m. as crews perform roadway maintenance activities. Motorists should be alert for slowed or stopped traffic, expect potential delays, and use extreme caution through this area.

**CAMPBELL COUNTY, SR 63 between Myers Lane and Frontier Road/Woodson Lane:** Motorists should be alert for possible temporary lane closures between the hours of 9 a.m. to 3 p.m. and/or 7 p.m. and 6 a.m. the following morning through this construction project. Motorists should be alert for slowed or stopped traffic, expect potential delays and use extreme caution through this area.

**CARTER COUNTY, US 19E/SR 37 Bridge over the Doe River and Riverview Road:** Motorists should be alert for possible lane closures through this bridge repair project. Motorists should be alert for workers present, slowed traffic, and use extreme caution in this area.

**CARTER COUNTY, SR 37 between Doe River Bridge and Willow Lane:** Motorists should be alert for possible lane closures between the hours of 9 a.m. and 8 p.m. through this resurfacing project. Motorists should be alert for workers present, possible delays, and use extreme caution through this area.

**CARTER COUNTY, SR 37 between Log Miles 8.3 and 13.3:** Motorists should be alert for possible lane closures daily between the hours of 9 a.m. and 8 p.m. through this resurfacing and safety project. Motorists should be alert for workers and equipment present, expect potential delays, and use extreme caution through this area.

**CARTER COUNTY, SR 67 between SR 359 and SR 91:** Motorists should be alert for possible lane closures during daylight hours through this resurfacing project. Motorists should be alert for workers present, possible delays, and use extreme caution through this area.

**CARTER COUNTY, SR 173 between Log Miles 0 and 4.2:** Motorists should be alert for possible lane closures daily between the hours of 9 a.m. and 8 p.m. through this resurfacing and safety project. Motorists should be alert for workers and equipment present, expect potential delays, and use extreme caution through this area.

**CARTER COUNTY, SR 359 between I-26 and Milligan Highway:** Motorists should be alert for possible lane closures during daylight hours through this resurfacing project. Motorists should be alert for workers present, possible delays, and use extreme caution through this area.

**CLAIBORNE COUNTY, SR 33 between New Hope Road and Russell Road:** Motorists should be alert for possible lane closures between the hours of 9 a.m. and 3 p.m. through this resurfacing project. Motorists should be alert for workers present, expect delays and use extreme caution through this area

**CLAIBORNE COUNTY, SR 63 between Old Town Creek and US 25E/SR 32:** Motorists should be alert for possible lane closures through this construction project. Motorists should be alert for workers present, expect delays and use extreme caution through this area.

**COCKE/GREENE COUNTY, SR 35 between Cloud Way and Bright Hope Road:** Motorists should be alert for possible lane closures during daylight hours through this resurfacing project. Motorists should be alert for workers present, possible delays, and use extreme caution through this area.

**GREENE COUNTY, US 11E/SR 34 both directions between Blue Springs Parkway and Forest Road in Mosheim:** Motorists should be alert for lane closures and lane shifts through this area for bridge repair operations. These lane closures will remain in place 24/7 until repairs are complete. Motorists should be alert for workers present, changing conditions, and use extreme caution in this area. This bridge repair project is estimated to be complete on or before October 31, 2021.

**HAMBLEN COUNTY, SR 34 between Jefferson County Line and Walters Drive:** Motorists should be alert for possible lane closures between the hours of 7 p.m. and 6 a.m. the following morning through this resurfacing project. Motorists should be alert for workers present, expect possible delays, and use caution through this area.

**KNOX COUNTY, I-40 East and West between Mile Markers 369 and 375:** Motorists should be alert for possible temporary lane closures nightly between the hours of 7 p.m. and 6 a.m. the following morning through this resurfacing project. Motorists should be alert for workers present, slowed traffic, expect potential delays, and use extreme caution through this area.

**KNOX COUNTY, I-640 East and West between Mile Markers 0 and 3.6:** Motorists should be alert for possible temporary lane closures nightly between the hours of 9 p.m. and 6 a.m. the following morning through this milling and resurfacing project. Motorists should be alert for workers present, slowed traffic, expect potential delays, and use extreme caution through this area.

**KNOX COUNTY, I-640 Ramps at Exit 8:** Motorists should be alert for possible temporary lane closures nightly between the hours of 7 p.m. and 6 a.m. the following morning through this construction project. Motorists should be alert for workers present, slowed traffic, expect potential delays, and use extreme caution through this area.

**KNOX COUNTY, Various Interstates through Knoxville:** Motorists should be alert for possible mobile lane closures nightly between the hours of 8 p.m. and 6 a.m. the following morning as crews perform roadway maintenance activities. Motorists should be alert for workers present, slow or stopped traffic, and use extreme caution in this area.

**KNOX COUNTY, US 129/SR 115 Alcoa Highway between Topside Road and Maloney Road:** Motorists should be alert for possible temporary lane closures and lane shifts as crews perform work through this project. Motorists should be alert for new traffic patterns. Motorists should be alert for workers present, reduce speed and use extreme caution through

this area. **For project information, go to <https://www.tn.gov/tdot/projects/projects-region-1/sr-115-alcoa-highway-little-river-to-maloney.html>**

**KNOX COUNTY, US 129/SR 115 Alcoa Highway between Maloney Road and Woodson Drive:** Motorists should be alert for possible temporary lane closures and lane shifts as crews perform work through this project. Motorists should be alert for new traffic patterns. Motorists should be alert for workers present, reduce speed, and use extreme caution through this area. **For project information, go to <https://www.tn.gov/tdot/projects/projects-region-1/sr-115-alcoa-highway-maloney-to-woodson.html>**

**KNOX COUNTY, US 441 Broadway Viaduct between Jackson Avenue and Fifth Avenue:** **US 441 Broadway Viaduct over Norfolk Southern Railroad in downtown Knoxville is closed for bridge replacement.** The Broadway Viaduct will be closed to all traffic for the duration of the project. During the closure, Broadway will be closed from the intersection of Oak Avenue, Worlds Fair Park, and Jackson Avenue to just north of the Depot Avenue intersection. Depot Avenue will also be closed. These closures will ensure the safety of workers and motorists as crews demolish the old bridge and reconstruct the new bridge. Primary and Local Detour Routes around the bridge closure will be in place. **For detour routes and project information, go to <https://www.tn.gov/tdot/projects/projects-region-1/broadway-viaduct.html>**

**KNOX COUNTY, US 441/SR 71 Chapman Highway between Highland View Drive and Burnett Lane:** Motorists should be alert for possible lane closures daily between the hours of 9 a.m. and 3 p.m. through this construction project. Motorists should be alert for workers and equipment present, expect potential delays, and use extreme caution through this area. **For project information, go to <https://www.tn.gov/tdot/projects/projects-region-1/chapman-highway-evans-to-burnett.html>**

**KNOX COUNTY, SR 332 Concord Road between Turkey Creek Road and Northshore:** Motorists should be alert for possible lane closures daily between the hours of 9 a.m. and 3 p.m. and new traffic patterns through this construction project. Motorists should be alert for workers present, expect potential delays, and use extreme caution through this area. **For project information, go to <https://www.tn.gov/tdot/projects/projects-region-1/sr-332-proposed-widening.html>**

**KNOX COUNTY, SR 332 Northshore Drive between Lyons View Pike and Papermill Road:** Motorists should be alert for possible temporary lane closures nightly between the hours of 7 p.m. and 6 a.m. the following morning as crews perform work on concrete curb ramps through this area. Motorists should be alert for workers present, reduced speeds, expect possible delays, and use caution through this area.

**LOUDON COUNTY, I-75 North and South between Mile Markers 79 and 84:** Motorists should be alert for possible temporary lane closures between the hours of 7 p.m. and 6 a.m. the following morning as crews complete final items through this resurfacing project. Motorists should be alert for workers present, slow traffic, expect delays, and use extreme caution through this area.

**LOUDON COUNTY, SR 72 between Good Hope Road and Corporate Park Drive:** Motorists should be alert for possible closures at various times through this resurfacing project. Motorists should be alert for workers present, slow or stopped traffic, and use extreme caution in this area.

**LOUDON COUNTY, US 411/SR 33 between Blount County Line and Monroe County Line:** Motorists should be alert for possible lane closures daily between the hours of 9 a.m. and 3 p.m. through this resurfacing project. Motorists should be alert for workers present, slow or stopped traffic, and use extreme caution in this area.

**MORGAN COUNTY, SR 29 between Vanderpool Road and Scott County Line:** Motorists should be alert for possible lane closures daily between the hours of 9 a.m. and 8 p.m. through this resurfacing project. Motorists should be alert for workers present, slow or stopped traffic, and use extreme caution in this area.

**MORGAN COUNTY, SR 62 between Petit Lane and SR 116:** Motorists should be alert for possible lane closures daily between the hours of 9 a.m. and 8 p.m. through this resurfacing project. Motorists should be alert for workers present, slow or stopped traffic, and use extreme caution in this area.

**ROANE COUNTY, I-40 West between Mile Markers 340 and 344:** Motorists should be alert for possible lane closures at various times through this slope stabilization project. Motorists should be alert for workers present, reduced speeds, lane shifts, and use extreme caution through this area.

**ROANE COUNTY, I-40 West near Mile Marker 358.9:** On Thursday, October 7, 2021, motorists should be alert for possible lane closures between the hours of 8 p.m. and 6 a.m. the following morning as crews perform guardrail repairs. Motorists should be alert for workers present, expect possible delays, and use caution through this area.

**SEVIER COUNTY, SR 71 between US 411 and Macon Lane:** Motorists should be alert for possible lane closures daily between the hours of 9 a.m. and 3 p.m. through this construction project. Motorists should be alert for workers and equipment present, expect potential delays, and use extreme caution through this area.

**SULLIVAN COUNTY, I-81 North near Mile Marker 72.5:** Motorists should be alert as a complete shoulder closure is currently in-place in this area and also for possible temporary lane closures between the hours of 7 p.m. and 6 a.m. which may occur as crews haul off slide debris. Motorists should be alert for workers present, slow traffic, and use extreme caution through this area as work vehicles and hauling trucks will be exiting on and off the shoulder area throughout daytime work hours.

**SULLIVAN COUNTY, SR 34 Intersection at Industrial Park Rd:** Motorists should be alert for lane reductions through this intersection improvement project. Motorists should be alert for workers and equipment present, changed traffic patterns, expect potential delays, and use extreme caution through this area.

**SULLIVAN COUNTY, SR 93 from near I-26 (Log Mile 6.2) to near US 11W/ SR 1 (Log Mile 11.3) :** Motorists should be alert for possible lane closures through this resurfacing and bridge repair project. Motorists should be alert for workers and equipment present, expect potential delays, and use extreme caution through this area.

**UNICOI COUNTY, SR 81 between Log Miles 0 and 1.8:** Motorists should be alert for possible lane closures daily between the hours of 9 a.m. and 8 p.m. through this resurfacing and safety project. Motorists should be alert for workers and equipment present, expect potential delays, and use extreme caution through this area.

**UNICOI COUNTY, SR 107 between 6<sup>th</sup> Street and SR 173:** Motorists should be alert for possible lane closures daily between the hours of 9 a.m. and 8 p.m. through this resurfacing and safety project. Motorists should be alert for workers and equipment present, expect potential delays, and use extreme caution through this area.

**UNICOI COUNTY, SR 173 between Log Miles 1 and 3.2:** Motorists should be alert for possible lane closures daily between the hours of 9 a.m. and 8 p.m. through this resurfacing and safety project. Motorists should be alert for workers and equipment present, expect potential delays, and use extreme caution through this area.

**WASHINGTON COUNTY, I-26 East between Mile Markers 22 and 24:** On Wednesday, October 13, 2021 through Friday, October 15, 2021, motorists should be alert for possible lane closures between the hours of 8:30 a.m. and 4 p.m. as crews perform bridge maintenance repairs. Motorists should be alert for workers present, expect possible delays, and use caution through this area.

**WASHINGTON/ CARTER COUNTY, SR 91 between Broadway Street and SR 67:** Motorists should be alert for possible lane closures during daylight hours through this resurfacing project. Motorists should be alert for workers present, possible delays, and use extreme caution through this area.

**WASHINGTON COUNTY, SR 93 between Davis Road and Fire Hall Road:** Motorists should be alert for possible temporary lane closures through this construction project. Motorists should be alert for workers present, reduced speeds, and use caution through this area.
